I want to warmly welcome you to the St Andrews Christian College community. At St Andrews Christian College, we aim to provide your child with the best education within a caring, Christian environment.

St Andrews Christian College is a Christian learning community, growing and working together for the good of the whole community in an environment of truth and love. We do hope that your child will enjoy their many years here and that they will be blessed with enjoyable experiences that will leave not only long-lasting memories, but have eternal consequences. Do take the time to read through this helpful information book so that you are fully aware of all the important information and processes for students and parents at St Andrews Christian College.

4.0 What is the hub?

‘the hub’ is a powerful Learning Management System and Information Portal that has been specifically designed to build genuine partnerships between students, parents, teachers and the College.

It is a powerful tool that collates and integrates every facet of College life into one comprehensive, private and convenient location. **‘the hub’** is also an on-line site where teachers, parents and students can connect, communicate and collaborate on virtually anything.

Things such as course information, student timetables, assignments, academic reports, assessment results, teacher feedback, daily calendar events and more are contained on **‘the hub’**.

Anything you want to know about College life is on **‘the hub’**.

The ‘User Guide’ will help you navigate through the basics of using **‘the hub’** and can be downloaded from the College website at: <https://standrews.vic.edu.au/?s=the+hub>.

There you will find the user guide, video overview and additional important information.

New families will be provided login information prior to commencement.

5.0 Operoo

At St Andrews Christian College we take the health and safety of our students very seriously. As such, we have a health, safety and electronic consent form system called Operoo.

Operoo is used by many schools, clubs and other groups who have a duty of care responsibility. It provides you the opportunity to update medical information promptly and accurately while providing the school with instant access to the emergency information provided by you. The use of this system reduces the burden on you to fill out the same information on multiple forms throughout the year. Some of you may already using Operoo with other organisations.

You can use a PC, laptop, tablet or smartphone to enter the details including:

- emergency contacts
- medical contacts
- medical checklist including asthma, allergies, seizures and diabetes
- health and ambulance insurance details
- notes and other care instructions from you
- medical action plans
- permissions and information for excursions
- and more...

As a parent/guardian you will receive an invitation to join Operoo and enter details for your child/children. By following the instructions, you can create your own free Operoo account and control all data about your child/children. The Operoo system stores the information on your behalf and you will be able to grant access to your data with our school. You are also able to share this data with any other group or individual you choose (e.g. your child’s grandparents, their child-minder, their sports club, etc.).

From the College perspective, this information will only be visible by the relevant staff for your child and will be managed in accordance with the Privacy Act. Being in digital form, staff caring for your child will be able to have access to emergency and medical information close at hand when off site, on excursions and camps.

It is expected that all families upload and maintain current information for their child/ren. You do not need to do anything until you receive the email requesting the information. The site will also be accessible through the College app. You can also visit the Operoo website for more information: <http://www.operoo.com>

Please feel free to contact the school if you have any questions.

*“The one who gets wisdom loves life;
the one who cherishes understanding will soon prosper.”*

Proverbs 19:8 (NIV)

Parents of students in these Year levels will not need to purchase any stationery or textbooks. An additional charge for the Booklist supplies for Prep to Year 6 will be added to the fee account.

All donations to the Building Fund of \$2 and over are tax deductible. A receipt for tax purposes will be issued in June of each year.

Parent Participation

The College Board seeks to keep the tuition fees as low as possible. We are greatly helped in achieving this objective by parents' involvement in the Parent Participation scheme on an on-going basis and/or regular attendance at working bees.

Families can participate in the scheme by being involved in a variety of activities. During the year notices will be sent out requesting parent help at various events or activities, for example, helping at sports carnivals, covering library books, classroom help or attending working bees.

Parents are required to record the hours they have completed in the Parent Hours Book which is kept in the College Office. You will be charged a Parent Participation fee of \$250 at the commencement of each year and will be credited at the end of each semester for any work done. You will be credited at a rate of \$25 per hour of work completed, up to a maximum of \$250 for the year. The time requirement for each family is ten hours per year.

Application Fee

A non-refundable charge of \$100 (including GST) is payable when lodging an Application for Enrolment.

Enrolment Fee

A non-refundable enrolment fee of \$1,400 per student is payable on acceptance of enrolment. \$1,000 of the non-refundable Enrolment Agreement Fee will then be deducted from tuition fees for the first term of enrolment.

Fee Payment Arrangements

The College will charge the total yearly tuition fees and levies at the commencement of the year. Parents are required to register with the College to enable automatic monthly payments to be made which will be processed on the 20th of each month. There will be 10 monthly payments (February to November) with a final payment in December to clear any outstanding balance.

A Direct Debit Authority form will be issued with the school fee account that is sent to parents in February. Payments can be processed from bank accounts (cheque or savings) and credit cards (Visa and Mastercard only).

From the Parents and Friends Association (PFA) of St Andrews, welcome! The PFA is a group of mainly parents (just like yourselves) who are committed to supporting the school, teachers, students and families in a variety of ways. This may involve whole school social gatherings like a Movie and Video Games Night or Talent Night, service events like the Mother's and Father's Day stalls, specific fundraising like the annual Fun Run and wider community events like a Bunnings BBQ.

Learn more about the PFA, the Executive, upcoming meetings etc by going to the PFA page of the school website <https://standrews.vic.edu.au/community/pfa/>

We would like to encourage you to regularly check The Hub so we can provide you with information on the school community and all upcoming events. This will help you to get involved with what's happening at school.

It is important to the Parents and Friends Association of St Andrews Christian College to include your family in the running of the PFA as much as you are able. As an enrolled family at SACC you are also a member of the PFA and as such we want you to be able to participate when or if you are able. The purpose of this PFA page is to show you the many ways in which you can get involved and to give you the opportunity to indicate your willingness to be included. Furthermore, your participation could contribute to parent hours that provide a discount to the fees.

We understand that many families have limited time available for anything extra so please do not feel compelled to add more to your busy schedules. The programs listed below that require your time are all purely voluntary.

Please continue reading over for an explanation of these items if you require further information.

Catering Team

Throughout the school year there are functions and events, which require the provision of food. Assistance with preparation, serving and clean up is required.

Volunteer Program

If you have a skill or interest that you'd be happy to share with the students at SACC join the Volunteer Program. Being asked to come along to a class and share depends on what's happening in the classroom and what assistance the teachers may require. From the ability to fly a plane to being able to operate a sewing machine if you're willing to share your skill with the children, the teachers just might need you.

If you would like further information please contact us on pfa@standrews.vic.edu.au
