CHRISTIAN COLLEGE

2023 VCE RESULTS

CELEBRATING ACHIEVEMENT

At St Andrews we believe God has placed a unique purpose and potential within the heart of every student.

Part of our role is to help our students discover their gifts and talents, as we equip and guide them toward the life path God has planned for them.

Congratulations to the Class of 2023 for their outstanding results. Their academic achievements are a testament to their hard work, resilience and perseverance throughout the school year.

At St Andrews Christian College, we know that an ATAR result does not define a student—our students have been prepared for life in the service of God’s Kingdom far beyond the tests, examinations and results of school. They are an outstanding group of young men and women. Their strength of character, caring hearts and faith have been a wonderful testimony to us all.

Our College motto is ‘Glory to God’ and we acknowledge and honour God for His grace, guidance and comfort given to our students, staff and parents throughout this year.

Well done Class of 2023. May God richly bless and direct you in your life journey.

In Christ,
Nick Haines
